Flagship Programmes of IQAC

The motto of the Institute 'सं वो मनांसि जानताम्' **May our minds be in unison** and the Motto of IQAC, Govt. Arts and Science College, Ratlam M.P. 'ज्ञानयज्ञं भवतु जीवनमयम्' **May the whole of this life become a Gyan Yajna** together strengthen the inspiration behind all the initiatives and implementations integrally.

Knowledge is the highest achievement of human development and collectively we enter into the activities that reassure the faith in us of Nation Building by noble works. This motivation persists behind our **Flagship Programme** educating the upcoming generations for selfless works; nurturing awareness for better environment; opening opportunities of education for all; inculcating self confidence in Women through physical trainings; appreciation of the excellence in different fields, sensitizing the humane generosity in students and faculty; also, encouraging the zeal of better learning and capacity building.

Education Drive ज्ञानोदय

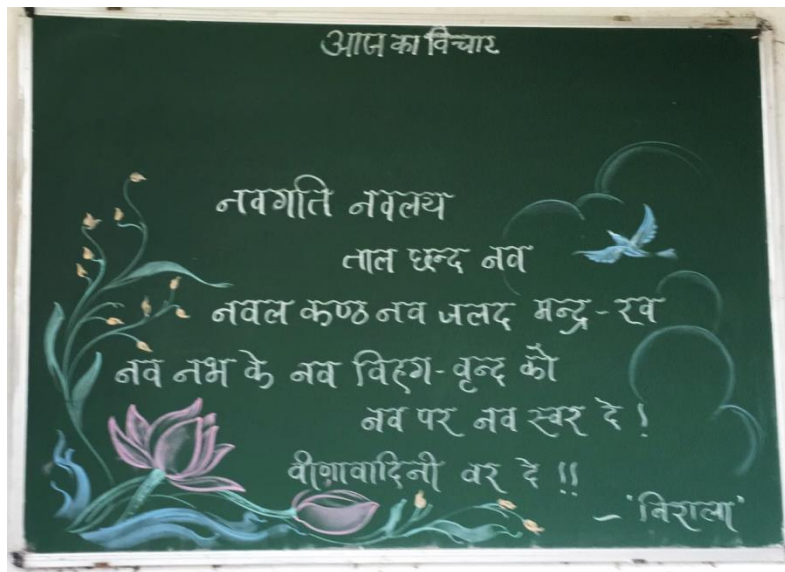

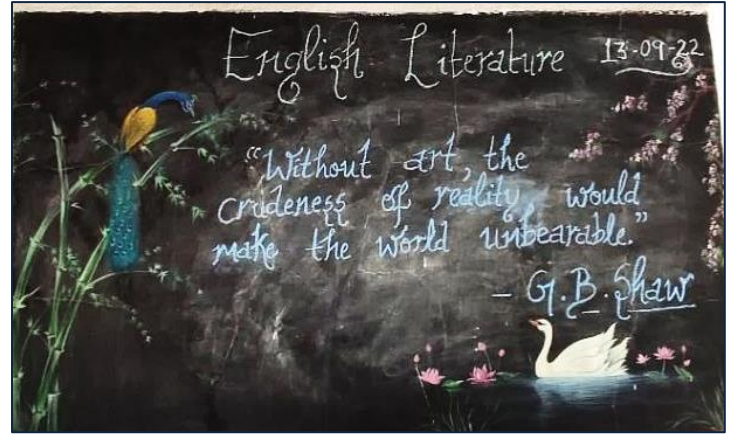

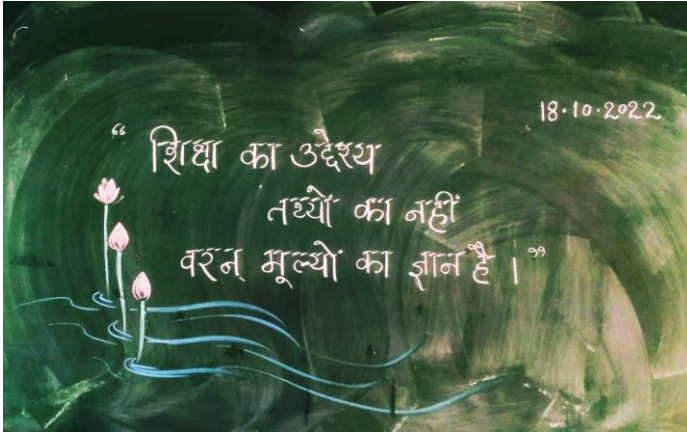

Knowledge enlightens the world of human society. To spread the light of knowledge through outreach and extension activities in neighbourhood communities enriched the experience of involved students and faculty members.

Motivation Drive

प्रेरणा

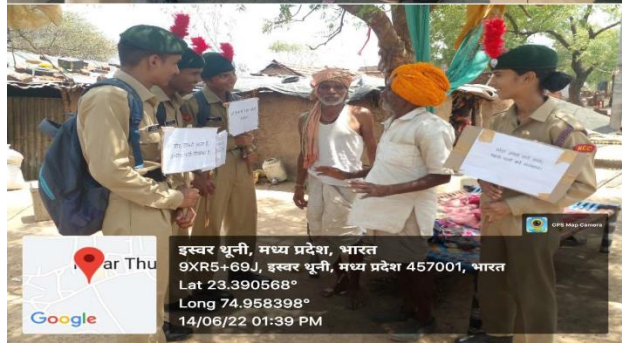

A single line can become inspiration for the path. To write 'quotable quotes' on boards at common places of the institute has been an elevating practice where the students are encouraged to choose quotes and write on the display boards.

It strengthens the aesthesis and spontaneity towards gnosis in the readers.

Electoral Literacy Campaign

लोकशक्ति

We celebrate our nation India being an ideal and largest democracy of the world. The institute conducts electoral literacy drives to educate the communities around to participate in it with awareness.

Health & Hygiene निरामयम्

शरीर माद्यम् खलु धर्म साधनं is the very thought behind all the activities centered around 'Health and Hygiene'. Through various campaigns and programmes the students and teachers spread the message of well-being and healthy living.

15 LIFE ON LAND

Save Life Campaign जीवन रक्षा

3 GOOD HEALTH AND WELL-BEING

Life on earth is meant for community and welfare of all. The institution through its initiatives of selfless services brings forward the message of सर्वे सन्तु निरामया.

Women Empowerment Campaign शक्ति

Women are strength of any healthy society. Our women empowerment programmes continue to encourage and inspire the female students to strengthen their capacities and avail the opportunities to fill themselves with confidence.

Felicitation Programme गौरव

There is always a greater joy in receiving felicitation from the teachers for the excellence shown in respective fields. This act has been a constant feature of our college to encourage the students. This inspires the student-fraternity invariably.

Plantation Campaign माता भूमि:

माता भूमि: पुत्रोहम् पृथिव्या: motivates our initiatives in the direction of environment awareness. The programmes aim not only at celebrating the beauty of 'Mother-Earth' but also include the thought of her well-being. These activities awaken a sense of responsibility in the students towards the 'Life on Earth'

Save Water Campaign जल से जीवन

Water is the basic need of 'Life on Earth'. All the activities that direct us towards health of our water bodies have been adopted by the institute sincerely. These drives have made serious impacts on the students and the communities around as well.

Help Box Campaign सहानुभूति

“वसुधैव कुटुम्बकं” is the spirit imbibed in our initiative of ‘Help Box Campaigns’. It effectuates the thought of ‘reducing inequality’ and helping others. The values of human life and ethics are also brought in application from the talk of ideals.
